

co successful
marriage

"Marriage - is that relation between man and woman in which ~~the~~ independence is equal, the dependence mutual, and the obligation reciprocal."

Louis Kaufman Anspacher
Address, Boston - Dec. 30, 1934

Destiny - By Sir Edwin Arnold
Somewhere there waiteth in this
world of ours
For one lone soul, another
lonely soul -
Each chasing each through all
the weary hours
And meeting strangely at one
sudden goal;
Then blend they - like green leaves
with golden flowers,
Into one beautiful and perfect
whole -
And life's long night is ended,
and the way
lies open onward to eternal
day.

IF YOU SHOULD NEED ME

If you should need me I'll be here
I just want you to feel a friend is near
You cared for me too little I could tell
And I loved you too well.
Somebody else has whispered in your ear
And if you're happy I won't interfere
But still if you should ever need me dear
You'll always find me here.

JUST LIKE A GYPSY

Just like a gypsy I've wandered my
whole life through
Watching and waiting for somebody
just like you.
Hoping that someday my luck would
break
Wandering, squandering my time in
some mistake
But now that I've found you, I need
never wander more
I've found the one dear that I have
been looking for
With love I may grow tipsy, like a
gypsy would do.
Searing hills and dale til I hit the
trail right straight to you.

I'LL STAND BY

I'll stand by
I'll always be near to befriend you,
through thick and through thin,
I'll defend you.

I'll stand by.

I'll stand by

Through dark clouds or shadows arising
I'll always be near sympathizing.

I'll stand by.

When all your dreams, the little dreams
you plan out, hopelessly go
astray,

And all your little schemes don't pan
out;

Let them all fall by the way, say,

I'll stand by

The ~~sometimes~~ misfortunes may trail
you

I'll promise that I'll never fail
you.

I'll stand by.

SO MANY MEMORIES

So many memories
Sometimes I think I'll cry,
So many thoughts of you,
That simply will not die
All day a wonderin'
Where you may be
All night a dreamin'
You're still with me.
Into each lonely hour
You seem to come and go
The happiness you bring
You'll never, never know
For tho you left me, you left me too,
So many memories.

ONCE IN A WHILE

Once in a while will you try to give me
little thought to me,

Though someone else may be, nearer
your heart?

Once in a while will you dream of the
moments I shared with you.

Moments before we two drifted apart.

In love's smoldering ember,

One spark may remain, if love still
can remember,

The spark may burn again,

I know that I'll be contented with
yesterday's memories—

Knowing you think of me once in a
while.

UNTIL TODAY

Until today, I never knew until today
How really beautiful this blue world
could be until you smiled at me,

Until today, I never thrilled until today
My heart had never known this feeling
divine until your lips met mine,
Your lips met mine.

The robin never sang as sweetly,
The flowers never bloomed so fair,
You seemed to change my life com-
pletely,

The moment you whispered you cared.
Until today, I never lived until today
I never dreamed that love could play such a part
Until today, sweetheart.

TO YOU SWEETHEART, ALOHA

To you sweetheart, Aloha,
Aloha from the bottom of my heart;
Keep the smile on your lips,
Brush the tear from your eye,
One more aloha, then it's time for
good-bye;

To you sweetheart, aloha,
In dreams I'll be with you, dear,
tonight;

And I'll pray for that day
When we two will meet again,
Until then, sweetheart, aloha.

WHERE OR WHEN

It seems we stood and talked like this
before,

We looked at each other the same way
then.

But I can't remember where or when.

The clothes you're wearing are the
clothes you wore.

The smile you are smiling- you were
smiling then.

But I can't remember where or when.
Some things that happen for the first
time,

Seems to be happening- again.

And so it seems we have met before,

And laughed before, and loved before,

But who knows where or when.

SEPTEMBER IN THE RAIN

The leaves of brown came tumbling down,
remember?

In September in the rain;
The sun went out just like a dying ember.
That September, in the rain.
To every word of love I heard you whisper
The raindrops seemed to play a sweet
refrain,

Though spring is here, to me it's still
September,
That September, in the rain.

NEVER IN A MILLION YEARS

Never in a million years
Could there be another you
I would shed a million tears
If ever we were through.

Never in a million moons
Could you ever be surpassed
And, darling, for a million dawns
This love of ours will last.

There would be no word for me
If ever we would part

Where I go your name will be
Right on the tip of my heart

For only once in every lifetime
Someone just like you appears

Is there any greater glory,
Any greater thrill? No,

Never in a million years.

IT'S A SIN TO TELL A LIE

Be sure it's true when you say, "I
love you,"

It's a sin to tell a lie.

Millions of hearts have been broken,
Just because these words were
spoken.

I love you, yes I do, I love you,
If you break my heart I'll die,
So be sure it's true, when you say, "I
love you,"

It's a sin to tell a lie.

I WON'T TELL A SOUL

I won't tell a soul I love you
I won't even mention your name
For I know I've been a fool
Dear, and I've only myself to blame
I won't tell a soul I miss you
The memories will always remain
Of you and the night you whispered
I can't ever see you again.
I suppose I should wish you luck
But I haven't the heart to try
Just for awhile my breath
Will be taken in trying to say
"Good-bye."

So think of me sometimes darling
Remember when we're far apart
I won't tell a soul I love you
Tho I'm left with a broken heart.

HEART AND SOUL

^F Heart and soul ^{C7} I fell in love with you
^F Heart and soul ^{C7} the way a fool would do,
^F madly.

^{B flat} Because you held me tight ^F
^{C7} And stole a kiss in the night ^F

^F Heart and soul

^{C7} I begged to be adored,

^F I lost control

^{C7} And tumbled over-board, ^F gladly,

^{B flat} That magic night we kissed there ^F
in the moon-mist.

Oh! but your lips were thrilling
Much too thrilling.

Never before were mine so strongly
willing

But now I see what one embrace
can do.

Look at me

It's got me loving you, madly
That little kiss you stole,
Held all my heart and soul.

MY BEST WISHES

My best wishes, I hope you will
be happy

My best wishes altho' I'm losing you.
You found someone, some lucky some-
one,

I hope that someone will care for
you the way I do.

No use trying to tell my heart I
hate you,

I'd be lying, that's not the thing to do.
We'll both feel better if I close this letter
With my best wishes to you.

BLUE SKIES

Blue skies smiling at me
Nothing but blue skies do I see,
Blue-birds singing a song
Nothing but blue-birds all day long,
Never saw the sun shining so bright,
Never saw things going so right
Noticing the days hurrying by,
When you're in love, my how they fly,
Blue days all of them gone
Nothing but blue skies from now on.

THEY SAY

They say you have no lips for a
fool such as I.

They say you just believe in bells
and good-bye.

And they say that the one I admire
isn't even remotely concerned,

And I'll go on playing with fire
Until I have learned, my heart has
been burned.

They say I shouldn't dream of your
face in the moon

They say all of my dreams will be
nightmares too soon.

Let them talk, let them think what
they want to,

If it makes them feel happy that way.
I know I'll always love you no matter
what they say.

11
I GET ALONG WITHOUT YOU VERY WELL
I get along without you very well,
Of course I do,
Except when soft rains fall and drip from
leaves.

Then I recall the thrill of being sheltered
in your arms,

Of course I do,

But I get along without you very well.

I've forgotten you, just like I should,

Of course I have,

Except to bear your name or someone's
laughs that is the same

But I've forgotten you just like I should

What a guy,

What a fool am I.

Tho my breaking heart could kid the
moon,

What's in store?

Should I 'phone once more?

No it's best that I stick to my tune.

I get along without you very well,

Of course I do,

Except perhaps in spring,

But I should never think of spring,

For that would surely break my heart in two.

DEEP PURPLE

When the deep purple falls over sleepy
garden walls,
And the stars begin to flicker in the sky
Through the mist of a memory, you wan-
der back to me,
Breathing my name with a sigh,
In the still of the night once again
I hold you tight,
Tho' you're gone, your love lives on
When moonlight beams,
And as long as my heart will beat,
Lover, we'll always meet here in my
Deep purple dreams.

THE MASQUERADE IS OVER

Your eyes don't shine like they used to
shine,

And the thrill is gone when your lips
meet mine.

I'm afraid the masquerade is over

And so is love,

And so is love.

Your words don't mean what they used to
mean

They were once inspired, now they're
just routine

I'm afraid the masquerade is over

And so is love,

And so is love.

I guess I'll have to play Pagliacci, and
get myself a clown's disguise

And learn to laugh like Pagliacci, with
tears in my eyes.

You look the same; you're a lot the
same, but my heart says, "no,

no you're not the same."

I'm afraid the masquerade is over,

And so is love,

And so is love.

WISHING

Wishing will make it so.

Just keep on wishing

And care will go.

Dreamers tell us

Dreams come true; it's no mistake,

And wishes are the dreams we dream

When we're awake.

The curtain of night will part

If you are certain within your heart.

So if you wish long enough

Wish strong enough

You will come to know

Wishing will make it so.

THIS LOVE OF MINE

This love of mine
 Goes on and on,
 Tho' life is empty
 Since you have gone
 You're always on my mind
 Tho' out of sight
 It's lonesome thru the day.
 And oh! The night
 I cry my heart out
 It's bound to break,
 Since nothing matters,
 Let it break.
 I ask the sun and the moon
 The stars that shine
 What's to become of it
 This love of mine.

STARDUST

Sometimes I wonder why I spend
the lonely nights
Dreaming of a song
The melody haunts my reverie
And I am once again with you
When our love was new
And each kiss an inspiration
Ah, but that was long ago.
Now, my consolation is in the
stardust of a song
Besides a garden wall when
stars are bright,
You are in my arms, the
nightingale
Tells his fairy-tale of Paradise
where roses bloom
Tho' I dream in vain,
In my heart it will remain
the stardust melody
The memory of love's refrain.
