

New York

to day!!

all upside down

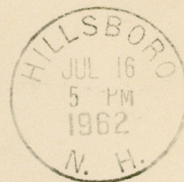

✓ I just got in trouble with
the camera for talking
(Actually I was answering
kinda question but
she didn't get in
trouble) That's the
bracket. I didn't
tell on Linda

P.S. I finished my poncho
it was better than I thought it would be.
CI have the same material as Linda

I had to
for talking
stay in the counselor's
room alone. I just
got out.

3/ The food is pretty good.
Our lunch was macaroni (delicious)
salad, milk, bread & butter, carrots
and for desert it was chomenada
chocolate cupcakes. Practically
or everything is homemade!

At rest hour we can
read, write letters, draw as
long as we don't make
noise.

Linda's stomach just
growled real loud!! Or
was it P.D.? ^{is it}

Did you have fun at
Freedomland & Hiroshi's birthday
party? I heard (from mommy)
you did the exchange
with Manny.

Tell mommy I need
post cards. Oh ~~and~~ and
tell her I can't write to
Mr. Tegeffort and Grampa

4 until she sends me the address. O.K.?

Yesterday I received a letter from Crystal saying "Dear Bumpus, Hiya Gots! Are you in the same room with Linda? If so don't smell her out O.K." ~~By coincidence~~ (don't show this to Mommy or Daddy) By coincidence I signed my letter to her "Love Bumpus" (and I didn't even see this letter when I wrote this)

Right now Linda is showing me her feet. WOW what a smell!... Thank goodness she just took them away! What a relief.

WRITE SOON
BUCK/ OTIS!!!

\$ I just need a sound from above (Linda) ... could it be Patti Gots? Love Anne
