Dear Mary and Bill:

So nice to hear from the two of you. Almost
got back there to work...about 6-months ago.
Our company owns W.A.D.O. New York. One of
my old co-workers Happy Hare is working there,
if you get a chance call him and give him my
best.

I am sending you several mime's of the original
blurb on me...maybe you can paste them in your
garage:

Warner Brothers is interested in my "voices"
for cartoons...and will ~~xxx~~ be going to see them
in a couple of weeks.

I am trying to get an agent, in Hollywood
to handle me for t.v, but won't know anything till
he sees a film, and some stills of me.

If it's not an inconvenience, I will make up
a little package, "voices, stills, and film, and
you might let River's look at them.

I was home about three months ago, remember
Peppy Helago, he and the Rollins boys, (Robert,
and Don...have opened a Motel-cocktail lounge by
Peck's park.

I don't know if you remember Barney Vaughan
he fishes from San Diego, and is married and the
father of three.

Give my regards to the family, and write again
soon.

Sincerely,

Ralph James Torres
