December 8, 1995

Dear

Mary

First, we hope that you are in the best of health, and we wish you and your family a very Merry Christmas, and a Happy New Year.

We just want to inform you of our up-coming events for 1996 and 1997. You may not have heard from us since 1989, but that is because we haven't been doing anything (Re-Unions) for a lot of reasons.

This past May 1995 (Memorial Day Weekend) was our first function since the last Re-Union (1989). Only a small percentage of the people on our Mailing List were informed of this event because of limited space. Although the turnout was very small, a very nice time was had by all who attended. However, this letter is being sent to everyone on the Mailing List (about 600 people). Our next function will be held on Sat. Feb. 10th, 1996, 9pm-Until, at the Lincoln Square Center on West 65th Street in Manhattan. This will be a Re-Union Dance (Fundraiser) to raise money for the Summer Re-Union which has already been scheduled for Sat. July 27, 1996, again at the Lincoln Square Center. Please put these 2 dates on your Calendar. On or around Jan 10th 1996 you will again receive a Flyer in the mail concerning the Dance on Feb. 10.

We hope that all of you who live in New York, New Jersey, or other States close by will be able to attend the Dance. However, if you live in far away States don't forget the Summer Re-Union on July 27. You will also be informed again around April or May 1996 concerning the Summer Re-Union. We are also planning to celebrate the 50th Anniversary of the Amsterdam Projects in the Summer of 1997, so stay tuned.

Although our Mailing List has been up-graded in the last 6 months a few people may not receive this letter because of relocation or for other reasons. So please inform all of those that you know of because we don't want to leave anyone out.

Once again funds are needed for the Summer Re-Union, so if you can't make it to the Dance in February, we would appreciate it very much if you could send us a donation (the price of the ticket) 15.00, so that we can at least assure us the opportunity to do so.

Sincerely,

Spence Mayfield
