HOUSE OF DETENTION
MIDDLETON, DELEWARE~~

April 2, 1968

Dear Brothers Kaheem + Jim:

When we got to Cambridge, we heard about what happened to you.

We hope you're all right.

Hoping this gets to you. We weren't sure of the exact name of the town since Delaware has a Middleton, Middleburg, Milford, Millsborough.

We understand that the bail bond is \$4000 — meaning bail is \$400. We're hoping all the groups start taking up a collection.

When is your hearing?

Can you make any calls out? If so, our phone no. is Wa. 6-7412. Did you get in touch with Sonny^{Carson}? Florence Kennedy got through to Jim Foreman of SNCC soon as she heard about you.

Please write or call.

Let us know what happened.

Soon as we're sure that this address is correct, ~~will~~ send a few dollars by money order for commissary fee.

Is there anything you need? Do your folks know? Is there anything I can do immediately to help?

A sister, Mary Kockijama
