THE INTERNATIONALE

Arise ye prisoners of starvation
Arise ye wretched of the earth
For justice thunders condemnation
A better world is in birth.
No more tradition's chains shall
bind us
Arise ye slaves no more in thrall.
The earth shall rise on new
foundations
We have been naught, we shall be all.

Chorus

'Tis the final conflict
Let each stand in his place.
The International Working Class
Shall be the human race.
'Tis the final conflict
Let each stand in his place
The International Working Class
Shall be the human race.

We want no condescending saviours
To rule us from their judgement hall
We workers ask not for their favors
Let us consult for all.
To make the thief disgorge his booty
To free the spirit from its cell
We must ourselves decide our duty
We must decide and do it well.

repeat Chorus

Toilers from shops and fields united
The union of all who work.
The earth belongs to us the workers
No room here for those who shirk
How many on our flesh have fattened
But if the bloody birds of prey
Shall vanish from the sky some
morning
The golden sunlight will stay.

repeat Chorus

WHICH SIDE ARE YOU ON ?

Come here all workers
Good news we have to tell
About how the working class
Has come to fight like hell.

Chorus

Which side are you on
Which side are you on
Which side are you on
Which side are you on

Sellout leaders said no dough
Their schemes we must expose
We've got to fight the
budget cuts and fight for
jobs for all. (repeat chorus)

Reforms are their tactics
We've got to smash their lies
We workers must take firm
stand
And we must organize!
(repeat chorus)

Defeat all oppression
And make the capitalists run
I'll stick with my class
brothers
'Till every battle is won
(repeat chorus)

Black, Brown, Yellow, White
Working class unite!
Dare to Struggle
Dare to win
Our future sure is bright!
