

Dear Bill & Mary:

Again at this
wonderful ^{season} I think
of you with deep
appreciation and friend-
ship for all that you
have done for us and
what you mean to
us today.

Words convey so little
but you have constantly
been in my thoughts
and today, I wish
you a Merry Xmas
and may the New
Year bring you all the
happiness which you so
deserve.
Always,
Helen

A Merry Christmas

and

A Happy New Year
