PROTEST !! J. EDGAR HOOVER'S
TESTIMONY Regarding CHINESE

".....We are being confronted with a growing amount of work in being alert for Chinese Americans and others in this country who would assist Red China in supplying needed material on promoting Red Chinese propaganda. For one thing, Red China has been flooding the country with its propaganda and there are over 300,000 Chinese in the United States, some of whom could be susceptible to recruitment either through ethnic ties or hostage situations because of relatives in Communist China....."
