

#COUNTMEIN

MARCH 12-20

Be sure to look out for official mail from the Census Bureau with detailed information on how to respond to your 2020 Census online form!

APRIL 1

It's Census Day! Remember to take a little time to count yourself in the national census! Don't forget to remind your friends and family to count themselves as well!

MAY - JULY

If you forgot to fill out the census during the month of April, census takers will start visiting homes that did not get to respond to the 2020 census to make sure that everyone is counted!
